RESOLUTIONS ON MATTERS OF GENERAL PUBLIC INTEREST.

Resolution re Prohibition in Shencotta Taluk.

PRESIDENT: The first resolution stands in the name of Mr. Subrahmanya Karayalar. As he is absent, the resolution will be deemed to have been withdrawn.

MR. K. P. NILAKANTA PILLAI (*Chirayinkil*): Sir, in view of the fact that Mr. Karayalar is absent and we do not know how he made himself absent and the resolution is an important one on which there may not be a controversy because the Government have accepted the principle of it in the last Budget Session, will the President ask any other member to move it?

LIBRARY ARCHIVES Kerala Legislative Assembly

PRESIDENT: I am afraid not.

MR. P. K. NARAYANA PILLAI (*Ambalapuzha*): Has Mr. Karayalar applied for leave of absence?

PRESIDENT: I don't think it is necessary.

MR. P. K. NARAYANA PILLAI (*Ambalapuzha*): I only want to know whether he has.

PRESIDENT: He has not.

The following resolution was deemed to have been withdrawn as the member was absent:

"1. This Council recommends to the Government that an experiment in prohibition be tried by abolishing the sale of intoxicating liquors in the Shencotta taluk during the next biennial contract period".

Resolution re Change of Examination Season.

RAO BAHADUR K.V. RANGASWAMI AIYANGAR (*Principal, College of Arts*): Before the resolution is moved, may I draw your attention to the fact that there are two resolutions, one standing in the name of Mr. Raman Menon and another in the name of Mr. Kallur Narayana Pillai, which are substantially identical? May I suggest that the two resolutions be taken up together?

PRESIDENT: If the members have no objection to that suggestion being given effect to.

MR. KALLUR NARAYANA PILLAI (*Pattanamtitta*): I have no objection provided I am given the full time.

PRESIDENT: Yes, I will allow the full time.

MR. V. SUBBA AIYAR (*Nominated*) (*Deputy President*): If the first resolution is passed or negatived the second resolution cannot be moved. Then I do not know why the particular indulgence is necessary.

MR. K. P. NILAKANTA PILLAI (*Chirayinkil*): What is the harm in that indulgence.

MR. G. RAMAN MENON (*Mavelikara* cum *Kartikapalli*): Sir, I beg to move the following resolution:—

"This Council recommends to the Government that prompt steps be taken to change the examination season from March to December so far as the examinations conducted by the Education Department of the State are concerned."

This resolution need not detain us long. It is well-known that in our country, the months of Kumbham and Minam form the hottest, the most dusty and uncomfortable part of the year. Whatever may be the case in other parts of the world, in our part of the world that is the fact, and that has to be recognised and reckoned with. That children of tender years and young boys and girls should be burdened with the examination toil in addition to the other sufferings of that season of the year is on the face of it a most unfeeling and disgraceful arrangement. It undermines the health and the intellectual powers of the nation at
